

BACHELOR OF ARTS

FINANCE

SCHOOL OF BUSINESS

MORE INFO: BENEDICTINE.EDU/FINANCE

DEPARTMENT OVERVIEW

The primary objective of the School of Business is to prepare students for successful and rewarding careers in traditional business occupations establishing a strong foundation for management and executive roles and responsibilities. The School of Business offers five degrees (all Bachelor of Arts): accounting, finance, international business, management, and marketing. These programs reflect a belief that professionals require technical and leadership skills that are balanced with the perspective, critical thinking, and communication skills produced by a combined business and liberal arts education.

DEGREE INFORMATION

This major requires development of a specific plan and input from a finance advisor.

CAREER OPPORTUNITIES

Many career choices are available in finance. The three principal areas of employment are the following:

- Corporate finance
- Banking
- Investments
